

The Sika Boom® product range has grown!

A FAMILY OF ALL SEASON, ONE-COMPONENT, EXPANDING FOAM PRODUCTS

Sika Boom®

GOT A PROJECT? WE HAVE THE FOAM...

From filling large cavities to insulating windows and doors and others surfaces, the Sika Boom® family of polyurethane foams offers a wide range of possibilities. Sika Boom® also meets the specific needs of projects requiring flame retardant properties and also allows work to be carried out at low temperatures.

COLOUR: Light Yellow

Sika Boom®-121 – Insulation

WHERE TO USE

- Rim joist sealer
- Roofs, attics, basements, interior walls, interfloor overlapping
- Air sealing and insulating
- Elimination of thermal bridges

PACKAGING

- 27 oz (775g) - 12 cans per case
- UPC: 815202002680

ADVANTAGES

- R value of 5,66 (per inch)
- Excellent thermal insulation value (0.025 W/m.K)
- Excellent adhesion to many building materials
- Does not contain any propellant gases

Sika Boom®-132 – Pestblock

COLOUR: Light Yellow

WHERE TO USE

- Blocking entry points of ants, bees, spiders, mice, etc
- Filling and sealing gaps, joints and cavities
- Filling wall penetrations

PACKAGING

- 16 oz (454g) - 12 cans per case
- UPC: 815202007975

ADVANTAGES

- Contains EPA-registered pesticide that protects foam from attack by mice and other pests
- Good for filling wide gaps with its high expansion rate
- Excellent adhesion, stability and filling capacity
- High thermal and acoustical insulation values

COLOUR: Light Yellow

Sika Boom®-180 – Gaps And Cracks

WHERE TO USE

- Insulating and filling gaps and cracks
- Insulating against noise, cold and draughts
- Filling around pipes or conduit penetrations

PACKAGING

- 24 oz (690g) - 12 cans per case
- (Reusable straw)
- UPC: 815202007982

ADVANTAGES

- Effective sound dampening
- Good thermal insulation
- Good adhesion to many construction materials (wood, metal, masonry, glass, many different plastics...)

Sika Boom® Products with Straw

COLOUR: Light Yellow

Sika Boom® AS - Doors & Windows

WHERE TO USE

- Insulating around windows and doors
- Sealing out dust, noise and draft
- Sealing gaps, cavities, cracks and joints

PACKAGING

- 12 oz (340 g) - 12 cans per case
UPC: 815202006244
- 30 oz (850 g) - 12 cans per case
(Reusable straw)
UPC: 815202002680

ADVANTAGES

- High yield formulation up to 45 L
- Environmentally Friendly: CFC and HCFC-free
- Low VOC, less than 2 g/L

COLOUR: Light Green

Sika Boom® -130 3XL - Big Gap Filler

WHERE TO USE

- Filling and sealing of large gaps, joints and cavities
- Sealing around pipes, (conduits and other wall penetrations)
- Weather sealing and insulating against cold, air movement and drafts

PACKAGING

- 30 oz (850 g) - 12 cans per case
(Reusable straw)
UPC: 815202006763

ADVANTAGES

- High thermal and acoustical insulation values
- Environmentally Friendly: CFC and HCFC-free
- Low VOC, less than 2 g/L

Sika Boom® -130 FB - Fireblock

WHERE TO USE

All applications where fire-retardant properties are required such as:

- Filling and sealing gaps, joints and cavities
- Sealing around service penetrations, electrical outlets, plumbing elements, etc.
- Sealing around penetrations through floors and runs through stud walls

PACKAGING

- 20 oz (570 g) - 12 cans per case
UPC: 815202006916

ADVANTAGES

- Fire resistance up to 217 minutes (EN 1366-4)
- Efficient seal against smoke and gas
- Environmentally Friendly: CFC and HCFC-free
- High thermal & acoustical insulation values

COLOUR: Orange

COLOUR: Light Yellow

Sika Boom® AS PRO - Doors & Windows

WHERE TO USE

- Installation of window and door frames
- Filling gaps and voids
- Sealing out dust, noise and draft
- Filling of penetrations in walls
- Air sealing and insulating

PACKAGING

- 30 oz (850g) - 12 cans per case
- UPC: 815202002697

ADVANTAGES

- Precision comfort application with Sika Boom® Pro Dispenser gun
- High yield formulation up to 45 L
- Environmentally Friendly: CFC and HCFC-free
- Low VOC, less than 2 g/L

COLOUR: Light Yellow

Sika Boom® ARCTIC - Extreme Cold

WHERE TO USE

- Applications in extreme cold conditions and temperature controlled environments
- Filling and sealing around gas and water pipes
- Air sealing and insulating
- Installation of window and door frames

PACKAGING

- 36 oz (1050 g) can with 12 cans per case
- UPC: 815202002741

ADVANTAGES

- Precision comfort application with Sika Boom® PRO Dispenser gun
- High yield up to 70 L
- Environmentally friendly: CFC and HCFC-Free
- Low VOC, less than 2 g/L

COLOUR: Clear

Sika Boom® Cleaner - Foam Cleaner

WHERE TO USE

- For cleaning the Sika Boom® Pro Dispenser gun after use
- For removing fresh uncured polyurethane foam residues
- For removing grease from contaminated substrates

PACKAGING

- 16.2 oz (500 ml) - 12 cans per case
- UPC: 815202002703

ADVANTAGES

- Easy to apply with aerosol can
- Can be used on its own, or screwed onto the Sika Boom® PRO Dispenser gun
- Environmentally friendly: CFC and HCFC-Free
- May be used then stored for later use

Sika Boom® PRO Dispenser Gun

High Quality dispenser for use with Sika Boom® gun applied foams

- Teflon® coated for easy cleanup and durability
- Flow control dial for precision while dispensing
- Clean with Sika Boom® Cleaner - Foam Cleaner

UPC: 815202002710

NEW!

Sika Cleaning Wipes-120 - Cleaning Wipes

High Quality Cleaning Wipes for Hands and Tools

PACKAGING

- 90 wipes per bucket

UPC : 815202007685

ADVANTAGES

- Fast action to loosen and dissolve surface and embedded grease, grime and soil
- Hands are left fresh and clean, and are conditioned with gentle emollients
- No rinsing, no drying, no residue left
