3.78 L (1 US gal)

TO LEARN MORE

Our most current General Sales Conditions shall apply.
Please consult the most current local Product Data Sheet prior to any use.

SikaWall®-485 MP Lime Remover is a highly effective phosphoric acid based pre-treatment and cleaning agent for the removal of lime deposits from mineral substrates. It also helps in surface preparation to optimise the chemical bond of SikaWall®-485 paint or stain to the substrate.

ADVANTAGES

- Ready-to-use, for exterior and interior use
- Works quickly
- Biodegradable, non-abrasive, safe for nearby vegetation
- Non-flammable - Does not release toxic gases or smoke in case of fire

WHERE TO USE

- SikaWall®-485 MP Lime Remover helps to removes lime deposits and cement laitance on mineral surfaces
- Can be used as a cleaning agent on excessively soiled surfaces
