LESS WASTE*

**Versus comparable rigid cartridges available on the market*

ecopaCC™

DISCOVER THE NEW INNOVATIVE PACKAGING

Thanks to its new collapsible and high performing packaging, **Sarnacol® LRA** uses **MIXPAC™** and **ecopaCC™** to generate less waste in the landfill than its previous version in rigid cartridge. **Its performances remain unaltered... only the packaging has changed!**

Sarnacol® LRA Adhesive is a two-component, foamable polyurethane adhesive used to bond insulations and cover boards to approved substrates and/or to intermediate insulation boards.

- Fast and easy single-step application
- Fast chemical cure
- Compatible with many insulation board stocks and common roofing substrates.
- Low VOC content - Odour-free
