

PRODUCT DATA SHEET

Sable Marco® Crushed Stone

Natural crushed stone for versatile applications

DESCRIPTION

Sable Marco® Crushed Stone is a high-quality natural crushed stone, available in multiple gradations including 1/4", 1/2", 3/4", and 0-3/4". Its angular shape provides excellent compaction and load-bearing capacity, making it suitable for use as a base material under driveways and walkways, for landscaping applications, and for drainage or custom concrete mixes.

FEATURES

- High-quality natural crushed stone
- Good compaction capacity
- Supports drainage applications
- Versatile, suitable for base, landscaping, and concrete mix applications
- Ready to use

USES

Sable Marco® Crushed Stone is suitable for use as a base material under driveways and walkways, providing good drainage and compaction. It is also used for landscaping applications, including garden beds, pathways, and around patios, or combined with cement and sand to produce custom concrete mixes.

PRODUCT INFORMATION

Packaging	20 kg (44 lb) bag / 30 kg (66 lb) bag
Colour	Grey
Shelf life	3 years
Storage conditions	Store in a cool, dry place. Keep bags sealed to prevent moisture exposure and surface discoloration. Avoid contact with soil or debris.
Grain size distribution	<div>Sable Marco® Crushed Stone is available in 4 size options:</div> <ul style="list-style-type: none">▪ Fine: 1/4" (6 mm)▪ Medium: 1/2" (12 mm)▪ Large: 3/4" (19 mm)▪ Graded Mix: 0-3/4" (0-19 mm)

BASIS OF PRODUCT DATA

All technical data stated in this Data Sheet are based on laboratory tests. Actual measured data may vary due to circumstances beyond our control.

ECOLOGY, HEALTH AND SAFETY

User must read the most recent corresponding Safety Data Sheets (SDS) before using any products. The SDS provides information and advice on the safe handling, storage and disposal of chemical products and contains physical, ecological, toxicological and other safety-related data.

APPLICATION INSTRUCTIONS

- **Base applications:** Under driveways, walkways, or similar surfaces, excavate and level the area to the desired depth, ensuring the subgrade is compacted and free of debris. Spread Sable Marco® Crushed Stone evenly to the required thickness and compact with a plate compactor or roller, repeating in layers if necessary to achieve a stable, load-bearing base.
- **Landscaping applications:** For garden beds, pathways, or around patios, ensure the area is clean and free from debris, weeds, or other obstructions. Spread and level Sable Marco® Crushed Stone to the desired depth, using a rake or shovel to distribute evenly and shape the surface. Compact the stones if needed to ensure they remain in place.
- **Custom concrete mixes:** Combine Sable Marco® Crushed Stone with cement and sand according to the required proportions to produce custom concrete mixes.

LOCAL RESTRICTIONS

Note that as a result of specific local regulations the declared data and recommended uses for this product may vary from country to country. Consult the local Product Data Sheet for exact product data and uses.

LEGAL NOTES

The information, and, in particular, the recommendations relating to the application and end-use of Sika products, are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. In practice, the differences in materials, substrates and actual site conditions are such that no warranty in respect of merchantability or of fitness for a particular purpose, nor any liability arising out of any legal relationship whatsoever, can be inferred either from this information, or from any written recommendations, or from any other advice offered. The user of the product must test the product's suitability for the intended application and purpose. Sika reserves the right to change the properties of its products. The proprietary rights of third parties must be observed. All orders are accepted subject to our current terms of sale and delivery. Users must always refer to the most recent issue of the local Product Data Sheet for the product concerned, copies of which will be supplied on request.
