

SikaTile®-890 Revive (CA)

GROUT COLOURANT AND SEALANT

SikaTile®-890 Revive (CA) is a ready-to-use, single component, cost-efficient way to give tiled area a new look or to address blotchy grout without having to remove the existing grout. With its easy-to-use 100% acrylic formula, a long-lasting colourant film is obtained to rejuvenate and seal sanded, unsanded and ready-to-use grout joints. SikaTile®-890 Revive (CA) provides a natural, uniform colour with a mat finish that is highly resistant to wear and seals the grout to help protect it against mould, mildew and stains.

WHERE TO USE

- Residential, light commercial indoor areas
- On both horizontal and vertical grout joints

ADVANTAGES

- Easy to apply
- Cleans up with soap and water
- An economical solution to correct the colour of grout without having to replace it
