

PRODUCT DATA SHEET

# Sable Marco® Pro Poting Soil Plus

Nutrient-rich soil mix designed for container and potted plant gardening

DESCRIPTION

Sable Marco® Pro Poting Soil Plus is a premium potting mix specially formulated for potting plants, transplanting, and all types of container gardening. Its well-balanced, fertile composition provides a stable growing environment, healthy root development, proper drainage, and optimal nutrient availability for vibrant plant growth in pots.

USES

Sable Marco® Pro Poting Soil Plus is ideal for all types of potted plants, including potted annuals, flower boxes, hanging baskets, and decorative planters, both indoors and outdoors. Use with flowers, herbs, vegetables, or ornamentals plants.

FEATURES

- Ideal for all potted plants
- Enriched with essential nutrients
- Balanced texture for proper drainage and aeration
- Supports root strength and moisture retention
- Suitable for indoor and outdoor potted plants
- Easy-to use, no mixing required

	Guaranteed minimal analysis (%):	
	Total Nitrogen (N)	1.17
	Available Phosphate (P <sub>2</sub> O <sub>5</sub> )	0.003
	Soluble Potash (K <sub>2</sub> O)	0.008
	Calcium (Ca)	0.19
	Magnesium (Mg)	0.034
	Sulfur (S)	0.002
	Iron (Fe)	0.012
	Manganese (Mn)	0.001
	Organic Matter	75
	Maximum Moisture	50

<b>Packaging</b>	10 kg (22 lb) / 27 L (0.95 ft <sup>3</sup> ) bag
<b>Shelf life</b>	3 years
<b>Storage conditions</b>	Store in a cool, dry area protected from the elements. Keep bags sealed to prevent moisture exposure.

## BASIS OF PRODUCT DATA

All technical data stated in this Data Sheet are based on laboratory tests. Actual measured data may vary due to circumstances beyond our control.

## ECOLOGY, HEALTH AND SAFETY

User must read the most recent corresponding Safety Data Sheets (SDS) before using any products. The SDS provides information and advice on the safe handling, storage and disposal of chemical products and contains physical, ecological, toxicological and other safety-related data.

**Caution:** Due to the presence of biosolids compost, it is recommended to wear gloves when using this product and wash hands well after use.

**First aid:** If on skin: wash with plenty of water. Take off contaminated clothing and wash it before reuse. If in eyes: rinse continuously with water for several minutes. Remove contact lenses, if present and easy to do. Seek medical attention if irritation occurs or persists.  
Read label before using. Keep out of reach of children and animals.

## APPLICATION INSTRUCTIONS

**Transplanting:** Water the plant a few hours before re-potting. Gently remove it from its container without damaging the root ball. If the new pot lacks drainage, add 25 mm (1 in) of gravel to the bottom. Fill with Sable Marco® Pro Poting Soil Plus as-is, place the plant in the center, and spread the roots slightly. Top up with mix, press lightly, and water thoroughly.

**Planting:** Dig a hole 2–3 times wider than the plant's root ball. Add Sable Marco® Pro Poting Soil Plus directly into the bottom of the hole, then position the plant and backfill with more mix, gently firming around the roots. Water thoroughly after planting.

**Flowering Pots and Planters:** Before planting, mix 3 parts of Sable Marco® Pro Poting Soil Plus with 1 part of compost. Add a 25 mm (1 in) layer of this mix to the bottom of the container, then fill the rest with Sable Marco® Pro Poting Soil Plus.
