Composition	<ul> <li>Manufacturing: 0.9 mm (20 gauge) SAE 1010 steel plate with an AZ 55 Galvalume coating for corrosion resistance</li> <li>Dimensions: Diameter: 51 mm (2 in)</li> <li>Colour: Grey</li> </ul>			
Features	High-strength steel disc with a smooth surface to provide protection to the underside of Sarnafil®S327 membrane ir mechanically fastened applications.			
Packaging / Storage	<ul><li>Packaging: Boxes of 1000 units</li><li>Shipping weight: 13 kg (29 lb).</li></ul>			
Codes / Approvals	<ul><li>Factory Mutual 4470</li><li>Miami-Dade County</li></ul>			
Installation	Sarnadisc is positioned on the surface of the Sarnafil® S327 membrane and a Sarnafastener is placed through the center of it and then set into the roof deck, clamping the membrane in place.			
Availability	Sarnadiscs are available directly from Sika Canada Authorized Applicators when used within a Sika® Sarnafil® Roofing or Waterproofing System. Contact Sika Canada or visit our website at www.sika.ca for further information.			
Warranty	Upon successful completion of the installed roof by the Sika Canada Authorized Applicator, Sika Canada can provide a Warranty to the Building Owner via the Authorized Applicator.			
Maintenance	Sarnadiscs requires no maintenance. As a prudent preventative measure, Sika Canada recommends that the Owner or that the Owner's designated representative inspect the installed roof system for damage, plugged drains, weathered sealants, etc. at least twice a year and after each storm.			
Technical Support	Sika Canada provides technical support. Technical staff is available to advise applicators as to the proper installation method.			
Health and Safety Information	For information and advice on the safe handling, storage and disposal of chemical products, users should refer to the more recent Safety Data Sheet containing physical, ecological, toxicological and other safety-related data.			
	KEEP OUT OF REACH OF CHILDREN FOR INDUSTRIAL USE ONLY			
	The Information, and in particular, the recommendations relating to the application and end-use of Sika products, are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions, within their shelflife. In practice, the differences in materials, substrates and actual site conditions are such that no warranty in respect of merchantability or of fitness for a particular purpose, nor any liability arising out of any legal relationship whatsoever, can be inferred either from this information, or from any recommendations, or from any other advice offered. The information contained herein does not relieve the user of the products from testing them for the intended application and purpose. The proprietary rights of third parties must be observed. All orders are accepted subject to our current terms of sale and delivery. Users must always refer to the most recent issue of the local Product Data Sheet for the product concerned, copies of which will be supplied on request or may be downloaded from our website at: www.sika.ca
