

PRODUCT DATA SHEET

Sable Marco® Pro Crustacean Mix

Soil amendment enriched with compost and crustacean meal

DESCRIPTION

Sable Marco® Pro Crustacean Mix is a high-quality natural amendment enriched with compost and crustacean meal designed to improve soil structure, increase moisture retention, and provide a rich source of organic nutrients. Its enriched formulation supports vigorous root development and sustained plant growth across a wide range of horticultural applications.

FEATURES

- Contains calcium-rich crustacean meal for stronger plant structure
- Enhances soil fertility with high natural organic nutrients
- Improves water retention and aeration
- Promotes healthy microbial activity in soil
- Natural and eco-friendly composition

USES

Sable Marco® Pro Crustacean Mix is ideal for use in planting trees, shrubs, annuals, perennials, and vegetables. Suitable for garden beds, vegetable patches, and flower boxes. Whether for initial planting or seasonal soil enrichment, it provides lasting benefits for home and commercial gardeners.

	Guaranteed minimal analysis (%):	
	Total Nitrogen	1.29
	Total phosphoric acid (P ₂ O ₅)	0.130
	Available phosphoric acid (P ₂ O ₅)	0.007
	Soluble Potash (K ₂ O)	0.007
	Calcium (Ca)	0.167
	Magnesium (Mg)	0.025
	Sulfur (S)	0.001

Organic Matter	35
Maximum Moisture	45
Fertilizer or supplement registration number	Active ingredient derived from crustacean meal, 2023734F of fertilizer act

Packaging	10 kg (22 lb) bag
Shelf life	3 years
Storage conditions	Store in a cool, dry area protected from the elements. Keep bags sealed to prevent moisture exposure.

BASIS OF PRODUCT DATA

All technical data stated in this Data Sheet are based on laboratory tests. Actual measured data may vary due to circumstances beyond our control.

ECOLOGY, HEALTH AND SAFETY

User must read the most recent corresponding Safety Data Sheets (SDS) before using any products. The SDS provides information and advice on the safe handling, storage and disposal of chemical products and contains physical, ecological, toxicological and other safety-related data.

Caution: This product contains shrimp and other crustaceans. Adverse reactions may occur in sensitive persons. If skin contact occurs, wash with soap and water. Wear dust mask and protective gloves. If allergic reaction occurs, seek medical attention.

First aid: If on skin: wash with plenty of water. Take off contaminated clothing and wash it before reuse. If in eyes: rinse continuously with water for several minutes. Remove contact lenses, if present and easy to do. Seek medical attention if irritation occurs or persists.
Read label before using. Keep out of reach of children and animals.

APPLICATION INSTRUCTIONS

Tree and Shrub Planting

Dig a hole at least twice the width of the root ball. Mix 1 part of Sable Marco® Pro Crustacean Mix with 3 parts of soil already in place. Place by layers around the base, compacting slightly, and water thoroughly.

Sable Marco Inc

Pont-Rouge
QC G3H 1C3

Vegetable Gardens

In early spring, apply a layer of 10 mm (3/8 in) of Sable Marco® Pro Crustacean Mix. Mix the compost with the soil to a depth of 10 cm (4 in).
Fill and plant, then water to settle the mix.

Flower Boxes and Containers

Mix 1 part of Sable Marco® Pro Crustacean Mix with 3 parts potting soil. Add a 2.5 cm (1 in) layer of the mixture to the base of the container.
Fill and plant, then water to settle the mix.

LOCAL RESTRICTIONS

Note that as a result of specific local regulations the declared data and recommended uses for this product may vary from country to country. Consult the local Product Data Sheet for exact product data and uses.

LEGAL NOTES

The information, and, in particular, the recommendations relating to the application and end-use of Sika products, are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. In practice, the differences in materials, substrates and actual site conditions are such that no warranty in respect of merchantability or of fitness for a particular purpose, nor any liability arising out of any legal relationship whatsoever, can be inferred either from this information, or from any written recommendations, or from any other advice offered. The user of the product must test the product's suitability for the intended application and purpose. Sika reserves the right to change the properties of its products. The proprietary rights of third parties must be observed. All orders are accepted subject to our current terms of sale and delivery. Users must always refer to the most recent issue of the local Product Data Sheet for the product concerned, copies of which will be supplied on request.
