

PRODUCT DATA SHEET

Sable Marco® Black Soil

Natural, organic-rich black soil

DESCRIPTION

Sable Marco® Black Soil is a natural, organic-rich soil that improves soil texture, promotes healthy root development, and enhances the visual appeal of planting areas. It supports soil structure, retains moisture, and enriches the ground with essential organic matter providing a strong foundation for healthy growth.

FEATURES

- Rich in organic matter
- Improves soil structure, aeration, and drainage
- Supports moisture and nutrient retention
- Provides a clean, finished appearance
- Easy-to use, no mixing required

USES

Sable Marco® Black Soil is ideal for garden beds, planting trees and shrubs, and general landscaping applications. It can also be used for growing vegetables and ornamental plants. It can be applied as a top layer for a clean, uniform look or mixed into existing soil to improve organic content and structure.

	Guaranteed minimal analysis:	
	Organic Matter	35 %
	Maximum Moisture	50 %
	Available phosphorus	> 300 ppm
	Exchangeable potassium	> 1000 ppm
	Exchangeable calcium	> 2500 ppm
	Exchangeable magnesium	> 500 ppm
	Electrical Conductivity (ECse)	< 3.5 mS/cm
	Cation Exchange Capacity (CEC)	> 20 cmol/kg
Packaging	11.25 kg (24.8 lb) / 25 L (0.88 ft³) bag	
Colour	Black	
Shelf life	3 years	

Storage conditions	Store in a cool, dry area protected from the elements. Keep bags sealed to prevent moisture exposure.
Bulk density	<ul style="list-style-type: none"> ▪ Dry: 400–600 kg/m³ (25–37 lb/ft³) ▪ Moist: 500–800 kg/m³ (31–50 lb/ft³)
pH-Value	6-7

BASIS OF PRODUCT DATA

All technical data stated in this Data Sheet are based on laboratory tests. Actual measured data may vary due to circumstances beyond our control.

ECOLOGY, HEALTH AND SAFETY

User must read the most recent corresponding Safety Data Sheets (SDS) before using any products. The SDS provides information and advice on the safe handling, storage and disposal of chemical products and contains physical, ecological, toxicological and other safety-related data.

Read label before using. It is recommended to wear gloves when using this product and wash hands well after use.

APPLICATION INSTRUCTIONS

Spread Sable Marco® Black Soil evenly over the desired area or incorporate into existing soil to enhance structure and fertility. For decorative beds and hedges, apply a uniform top layer. Water thoroughly after placement to help settle the soil and support plant growth.

LOCAL RESTRICTIONS

Note that as a result of specific local regulations the declared data and recommended uses for this product may vary from country to country. Consult the local Product Data Sheet for exact product data and uses.

LEGAL NOTES

The information, and, in particular, the recommendations relating to the application and end-use of Sika products, are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. In practice, the differences in materials, substrates and actual site conditions are such that no warranty in respect of merchantability or of fitness for a particular purpose, nor any liability arising out of any legal relationship whatsoever, can be inferred either from this information, or from any written recommendations, or from any other advice offered. The user of the product must test the product's suitability for the intended application and purpose. Sika reserves the right to change the properties of its products. The proprietary rights of third parties must be observed. All orders are accepted subject to our current terms of sale and delivery. Users must always refer to the most recent issue of the local Product Data Sheet for the product concerned, copies of which will be supplied on request.
